Comment:

2. According to the above report, almost all troops from the FRANKFURT/Oder military post (component units of the 7th Gds Mecz Div (Cadre) and perhaps headquarters units of the Fourth Gds Mecz Army (Cadre)) left in late June 1949. The units presumably went to the MESSERSOHN training area, where component units of the 7th Gds Mecz Div (Cadre) from the FUERTENWALDE area were transferred by rail and road after the end of May 1949.
